NAACLS Board of Directors' Accreditation Award

The Medical Laboratory Science Program of **Monmouth Medical Center** in **Long Branch**, **NJ** is awarded Continuing Accreditation for **two (2) years**.

Next Submissions for Program Review		End Accreditation Date	
Progress Report Due to Citatio	ns: April 1 st , 2025	April 30 th , 2026	

A Progress Report documenting compliance with the following Standards must be submitted electronically to NAACLS. Please refer to the "Next Submission for Program Review" chart for the due date.

The program is in non-compliance with the following Standards:

Standard II.C.2 II. Assessment and Continuous Quality Improvement

C. Program Assessment and Modification

The results of program outcomes measures and assessment must include findings from graduate and employer feedback and

be:

2. Analyzed to demonstrate the effectiveness of any changes

implemented.

Rationale The results of program outcomes measures and assessment

included data regarding outcomes and feedback, but such findings were not reflected in curriculum development, resource acquisition/allocation, and program modification, and thus subsequent changes were not analyzed to demonstrate

effectiveness of changes implemented.

Recommendation Submit a Progress Report documenting compliance with stated

standards. Submit evidence of program outcome measures and

assessments, to include graduate and employer feedback

reflected in curriculum development, resource

acquisition/allocation, and program modification and analysis which demonstrates the effectiveness of changes implemented

when it becomes available.

Failure to submit the required report by the due date may result in Administrative Probation.

Robert Cottrell, MHS, PA(ASCP)^{CM}
President, NAACLS Board of Directors
