Standard II.B.1

II. Assessment and Continuous Quality Improvement
B. Outcome Measures

A review of the results of the following outcomes measures from the last three active years must be documented, analyzed and used in program assessment and continuous quality improvement of the program to include an annual submission to NAACLS. If outcome measure(s) does/do not meet the stated NAACLS approved benchmarks (see Standards Compliance Guide), then an analysis and action plan must be submitted to correct the deficiency (ies).

1. External certification results

Rationale

A review of the results of the outcomes measures listed in Standard II.B from at least the last three active years did not meet the stated NAACLS approved benchmarks for external certification pass rates.

Recommendation

Submit documentation that shows the analysis and action plan corrected the deficiency of external certification exam pass rates falling below the benchmark.

A Progress Report documenting compliance with the above Standard must be submitted electronically to NAACLS. Please refer to the "Next Submission for Program Review" chart for due date.

Failure to submit the required report(s) by the due date may result in Administrative Probation.
