The program is in non-compliance with the following Standards:

Standard II.C

II. Assessment and Continuous Quality Improvement

C. Program Assessment and Modification

The results of program outcomes measures and assessment must include findings from graduate and employer feedback and be:

1. Reflected in ongoing curriculum development, resource acquisition/allocation, and program modification.
2. Analyzed to demonstrate the effectiveness of any changes implemented.

Rationale

The results of program outcomes measures and assessment do not include findings from graduate and employer feedback.

Recommendation

Submit evidence of program outcome measures and assessments from graduates and employer feedback reflected in curriculum development, resource acquisition/allocation, and program modification and analysis which demonstrates the effectiveness of changes implemented.

Failure to submit the required report by the due date may result in Administrative Probation.
