The Program is in non-compliance with the following Standards:

Standard II.C II. Assessment and Continuous Quality Improvement
 C. Program Assessment and Modification
 The results of program outcomes measures and assessment must include findings from graduate and employer feedback and be:
 1. Reflected in ongoing curriculum development, resource acquisition/allocation, and program modification.
 2. Analyzed to demonstrate the effectiveness of any changes implemented.

Rationale The results of program outcomes measures and assessment do not include findings from graduate and employer feedback.

Recommendation Submit evidence of program outcome measures and assessments from graduates and employer feedback reflected in curriculum development, resource acquisition/allocation, and program modification and analysis which demonstrates the effectiveness of changes implemented.

A Progress Report documenting compliance with the above Standard must be submitted electronically to NAACLS. Please refer to the "Next Submission for Program Review" chart for due date.

Failure to submit the required report(s) by the due date may result in Withdrawal of Accreditation.
