

**NAACLS BOARD OF DIRECTORS' ACCREDITATION AWARD**

The Medical Laboratory Technician Program of **Central Community College** in **Grand Island, NE** is awarded Continuing Accreditation for **five (5) years**.

<b>Next Submissions for Program Review</b>	<b>End Accreditation Date</b>
Progress Report: April 1 <sup>st</sup> , 2023 Self Study: April 1 <sup>st</sup> , 2026	April 30 <sup>th</sup> , 2027

The program is in partial compliance with the following Standards:

**Standard VIII.C**

VIII. LT Curriculum Requirements  
C. Evaluations

Evaluation systems must relate to course content and support program competencies. If there is evidence that competencies are not adequately achieved (through feedback mechanisms as described in Standard II.B) then course objectives will be examined in detail to assure that the objectives are behavioral, include all domains and relate directly to the evaluations used.

**Rationale**

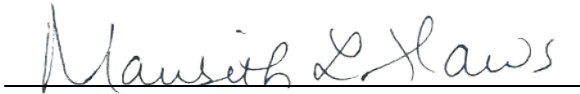

Evaluations are not related to objectives and competencies.

**Recommendation**

Submit documentation of evaluation systems that relate to course content and support program competencies..

A Progress Report documenting compliance with the above Standards must be submitted electronically to the NAACLS office no later than **April 1<sup>st</sup>, 2023**.

*Failure to submit the required reports by the due date may result in Administrative Probation.*
