

NAACLS Board of Directors' Accreditation Award

The Progress Report from the Medical Laboratory Technician Program of **Western Nebraska Community College in Scottsbluff, NE** addressing Standard II.C is unsatisfactory. It has been determined that the program be given Probationary Accreditation for a period of **one (1) year**.

A response must be submitted addressing the following concerns:

Next Submissions for Program Review	End Accreditation Date
Progress Report: April 1 st , 2023	October 31 st , 2023

The Program is in partial compliance with the following Standard:

Standard II.C.2. II. Assessment and Continuous Quality Improvement
 C. Program Assessment and Modification
 The results of program outcomes measures and assessment
 must include findings from graduate and employer feedback and
 be:
 2. Analyzed to demonstrate the effectiveness of any changes
 implemented.

Rationale The program has not initiated any assessment and modification
 actions based on graduate and employer feedback.

Recommendation Provide evidence of the implementation of a process to evaluate
 feedback from graduates and employers and explain how that
 feedback impacts program effectiveness.

A Progress Report documenting compliance with the above Standard must be submitted electronically to NAACLS. Please refer to the "Next Submission for Program Review" chart for due date.
