Response of Concurrence:

The Dean of Allied Health and I have reviewed the site visit report submitted by the NAACLS site visit team following their evaluation conducted on October 20 and 21.

As the Phlebotomy Program Director at Phillips Community College of the University of Arkansas, I concur with the findings and observations presented in the site visit report. I appreciate the thorough and professional review conducted by the site visit team and acknowledge their constructive feedback and recommendations.

We thank the site visit team and the NAACLS staff for their time, expertise, and support throughout the evaluation process.

Julie Pittman, MSED, MLS(ASCP)  
MLT/PLB Program Director
