Next Submissions for Program Review	End Accreditation Date
Interim Report: October 1, 2029 Self-Study Report: October 1, 2034	October 31, 2035

An Interim Report must be submitted electronically to NAACLS. Please refer to the “Next Submissions for Program Review” chart for the due date.

The Interim Report must include the following:

1. A summary of the last three active years of outcome measures data.
2. Narratives on how outcomes measures and findings from graduate and employer feedback are analyzed and used in program assessment and continuous quality improvement of the program. Outcomes measures that cannot be quantitatively analyzed are to be included in this narrative. The assessment of outcome measures, graduate feedback and employer feedback must be:
 - Reflected in ongoing curriculum development, resource acquisition/allocation, and program modification.
 - Analyzed to demonstrate the effectiveness of any changes implemented.
3. Narrative describing how significant changes in annual reporting are handled, and how any actions taken as a result of the changes are used in program assessment and continuous quality improvement of the program.

Programs that are required to provide an Annual Survey Action Plan as part of NAACLS' Annual Reporting process (refer to the NAACLS Guide to Accreditation) must submit additional required materials as part of the Interim Report.

Failure to submit the required report(s) by the due date may result in Administrative Probation.
