A Progress Report documenting compliance with the following **2012 Standards** must be submitted electronically to NAACLS. Please refer to the "Next Submissions for Program Review" chart for the due date.

The program is in partial compliance with the following Standards:

Standard II.C.1	II. Assessment and Continuous Quality Improvement C. Program Assessment and Modification The results of program outcomes measures and assessment must include findings from graduate and employer feedback and be: 1. Reflected in ongoing curriculum development, resource acquisition/allocation, and program modification.
Rationale	The results of program outcomes measures and assessment do not include findings from graduate feedback.
Recommendation	Submit evidence from graduate assessment that the feedback is reflected in curriculum development, resource acquisition/allocation, and program modification and that analysis demonstrates the effectiveness of changes implemented.
Standard III.A.2	III. Resources A. General Resources 2. Resource assessment of personnel and physical resources must be a part of the continuous program evaluation.
Rationale	There is no evidence pertaining to assessment of adequate classroom resources and that resource assessment is used in the continuous program evaluation.
Recommendation	Submit documentation that demonstrate that resource assessment analysis is part of the continuous program evaluation.

Failure to submit the required report(s) by the due date may result in Administrative Probation.
