

NAACLS Board of Directors' Accreditation Award

The Medical Laboratory Technician Program of **Motlow State Community College** in **Smyrna, TN** is awarded Continuing Accreditation for **five years minus six months due to a previous extension**.

Next Submissions for Program Review	End Accreditation Date
Progress Report Due to Citation: October 1, 2026 Self-Study Report: April 1, 2028	April 30, 2029

A Progress Report documenting compliance with the following **2012 Standards** must be submitted electronically to NAACLS. Please refer to the "Next Submissions for Program Review" chart for due date.

The program is in partial compliance with the following Standard(s):

Standard II.C

II. Assessment and Continuous Quality Improvement C. Program Assessment and Modification

The results of program outcomes measures and assessment must include findings from graduate and employer feedback and be:

1. Reflected in ongoing curriculum development, resource acquisition/allocation, and program modification.
2. Analyzed to demonstrate the effectiveness of any changes implemented.

Rationale

The results of program outcome measures and assessment included findings from graduates and employer feedback, and such findings were reflected in curriculum development, resource acquisition/allocation, and program modification, but subsequent changes were not analyzed to demonstrate effectiveness of changes implemented.

Recommendation

Submit evidence of analysis which demonstrates the effectiveness of changes implemented.

Failure to submit the required report(s) by the due date may result in Administrative Probation.
