For Self-Studies Due: **October 1, 2025**  
Published: **November 6, 2024**

Dear Program Director,

Welcome to the NAACLS Self-Study Template. This document is designed to guide you through the process of demonstrating compliance with NAACLS Standards. Please read the following instructions carefully before proceeding:

1. **Adobe Acrobat Required:** This template must be opened in Adobe Acrobat. Most computers' default setting is to open PDFs in a web browser. PDFs opened in a web browser will not have the functionality to complete the self-study.

To ensure you're using Adobe Acrobat:

- Right-click on the file
- Select "Open with" from the menu
- Choose "Adobe Acrobat" from the list of programs

[If Adobe Acrobat is not installed, download Adobe Acrobat Reader DC for free.](#)

2. **Required Documents:** Ensure you have the appropriate NAACLS Standards and Standards Compliance Guide available before starting.

Please note, unlike the self-study for the 2012 Standards, the area to attach/pin documentation is gray. The narrative boxes remain blue.

Please be mindful of how you label documents. Additional detail can go a long way in assisting our volunteer self-study reviewer. For example, instead of "Affiliate1.docx," consider "StandardIBG\_MercyHospitalNorthWestAgreement.docx." These extra details save our volunteers a lot of time as they double-check and cross-reference documentation.

Please pin all required documents in the grey boxes provided. For standards with multiple documents, do not "stack" attachments on top of each other. This can hide documentation and lead to concerns on a self-study review.

3. **Glossary of Terms:** Refer to the glossary in the NAACLS Standards Compliance Guide for commonly used NAACLS terminology.

4. **Support Available:**

- For standard compliance questions, contact a discipline lead person (DLP).
- For other questions, contact NAACLS staff.

Your dedication to maintaining high standards in laboratory science education is appreciated. Let's begin with the self-study form.
